

Important Update: Revised Monthly School Fee Payment Policy

Dear Parent/Guardian,

We would like to inform you about a revision in our monthly school fee payment policy, which aims to ensure our school's smooth functioning. Henceforth, we request all parents to settle their monthly school fees on or before the 30th of every month. This timely payment is crucial, enabling us to meet various operational expenses.

We would like to emphasize that, effective immediately, any payment received after the 30th of the month will be subject to a late fine of Rs 50/-. This late fee will be added to the monthly school fees and should be paid along with the outstanding amount.

As a private school, we heavily rely on the monthly payments received from parents to sustain and enhance educational opportunities. Your quick adherence to the payment schedule ensures the school's smooth functioning and contributes to our student's overall development and well-being.

Thank you for your continued support, and we look forward to your cooperation in ensuring timely payment of the monthly school fees.

Sincerely,

School Administration
